Description

New copy, opened and inspected by DHL. Some DHL tape stuck to the box.

HUGE 22 x 34" board full of city terrain. Not all of Vietnam's battles were fought in the jungle. Can you say "Hue?" Of course you can (Yeah, we know that was '68, but...). You'll not only be able to say it, but play it as well with this massive, mounted map board. Includes four scenarios. Comes in a Ziploc bag. **Must own the base game, '65 Squad Level Combat in Vietnam, to play the scenarios in the City Map Expansion.**
