Description

Good Condition Punched Copy

This game is OSG's first simulation of modern air-mobile warfare in Europe. The focus is on actual helicopter operations between the forces of the Warsaw Pact and the NATO Alliance, from troop transport to recovery missions, air-mobile insertions to tank hunting, rescue to reconnaissance. Over 20 Helicopters from four nations (Great Britain, the USSR, West Germany, and the U.S.) and their accompanying ground forces are represented."

Scale: 100 meters per hex; 1 helicopter or vehicle per unit; 60 seconds per turn.
