Description

This is a dependent expansion for the Band of Brothers series. It contains a double sided 22"x34" map. Map 27 is of a large hill formation and Map 28 is a winter map with woods and a village. A counter sheet includes extra counters for really large scenarios as well as new units, including the M26 Pershing and Waffen SS counters. The Battle Pack includes a mixture of 8 scenarios from small to large.

EXPANSION, requires base game to function.
