The Great Battles of Alexander: Deluxe Edition, the updated, expanded, full-color-enhanced version of the best-selling, multi-award-winning game system that started the Great Battles of History series, includes new game counters, maps, packaging, battles, and scenarios that cover all the major battles from the original game and the Juggernaut module, plus five additional battles ... ten in all. The Great Battles of Alexander: Deluxe Edition is virtually the complete history of Alexander the Great and the Macedonian art of war.
