Description

MacGowan & Lombardy's The Great War by award-winning game designer Dana Lombardy is a simple, fast-playing stand-alone (non-collectible) 2-player card game built around important weapon systems, commanders, and other historical aspects of this unprecedented industrial-scale war. Two 54-card decks feature colorized historical images and illustrations by game industry Hall of Fame graphic artist Rodger B. MacGowan. Icons, insignias, and game text on each card eliminate the need for complex rules. (Note to collectors: Nearly all of Rodger's exceptional WW1 illustrations appear on the cards.)

- Designed for fast play.
- Cards illustrated with Rodger MacGowan's artwork or colorized historical photos. A great way for Rodger's fans to collect his WW1 art!
- Core game cards presented in standard decks (deuce through ace, 4 suits) and can be used for any traditional card game.
