Description

Stalin's Triumph Module Rules and Scenarios Spiral-Bound Booklet!

Bound between these two covers are the module rules for Stalin's Triumph and all scenarios. To make things better, we've also included many of the module's important player aids like the TEC and a reworked Skill reference table. This booklet can be used along with our box edition game or for virtual gaming with Vassal, Tabletop Simulator, Tabletopia, or our Digital games on Steam.

PLEASE NOTE: This is not a complete product and requires ownership of one of our other products to use.
