

Onager-class Star Destroyer Expansion Pack

The Onager-class Star Destroyer is a specialized platform for some of the Empire's most dangerous weaponry. The arrival of its ominous silhouette in orbit heralds a bombardment by massive particle cannons, or, more rarely, a devastating pulse from superheavy composite beam turbolasers. Its deployment in more sensitive Imperial operations can be neither confirmed nor denied.

Description

The Onager-class Star Destroyer is a specialized platform for some of the Empire's most dangerous weaponry. The arrival of its ominous silhouette in orbit heralds a bombardment by massive particle cannons, or, more rarely, a devastating pulse from superheavy composite beam turbolasers. Its deployment in more sensitive Imperial operations can be neither confirmed nor denied.

The *Onager-class Star Destroyer Expansion Pack for Star Wars™: Armada* provides your Imperial officers with everything you need to add 1 Onager-class Star Destroyer to your game, including 1 painted ship, 1 speed dial, 3 command dials, 2 ship cards, 15 upgrade cards, and a collection of assorted tokens.

This is not a standalone game experience. A copy of the Star Wars: Armada Core Set is required to play.
