Description The Ashes of Empire, the strategic card game for 1-8 players (9 - 16 players with a second set of cards). A planetary conquest game. Cards represent the planets. Each card indicates the other planets you can get to and their distance, as well as the planet morale and population. Dice are used to represent spaceships and where they are located among the planets. Please visit http://www.ugg.de/ashes_re.htm for rules/details.
